

**DO YOU WANT
TO CHANGE
the WORLD
FOR BETTER?**

How, in your opinion, the world is being changed by...

this cook?

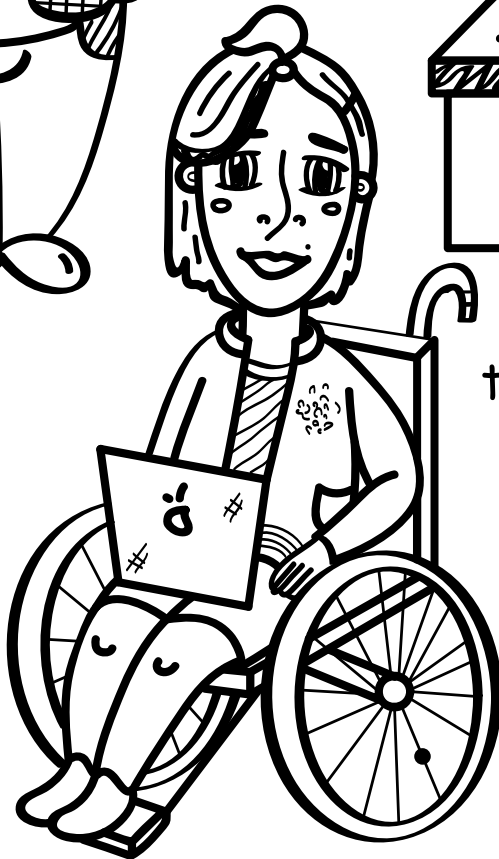

this DJ?

this teacher?

this IT-specialist?

this journalist?

Everyone can protect human rights regardless of age, profession, nationality and wealth.

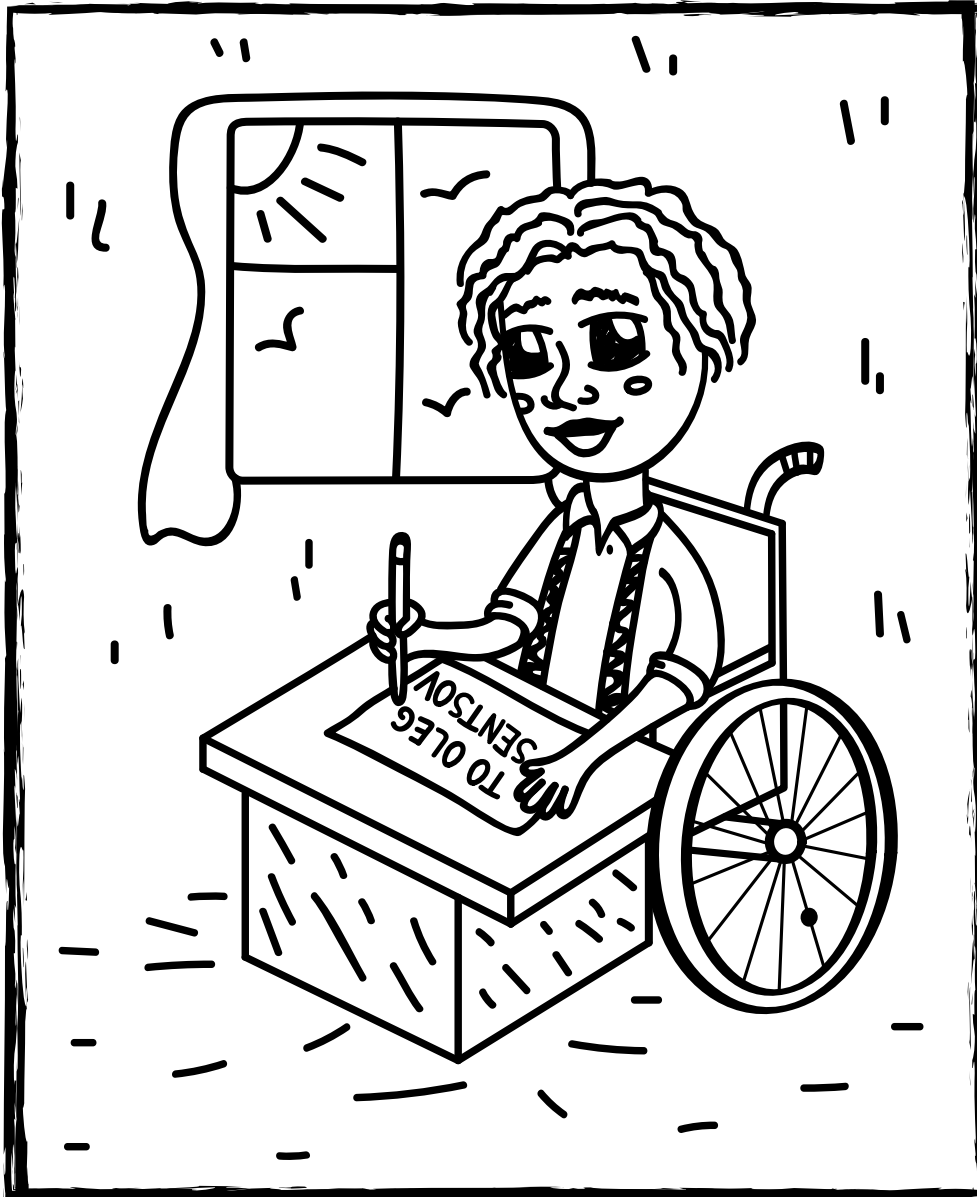

Because all of us have strong points.

**SO
WHAT'S
YOUR
STRONG
POINT?**

Can you write a letter of support
to the one,

who was prisoned
unfairly?

Can you draw a poster

and join animal protection action?

**THEN YOU
HAVE
EVERYTHING
to PROTECT
HUMAN
RIGHTS**

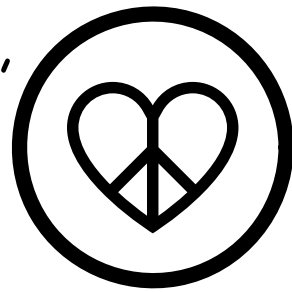

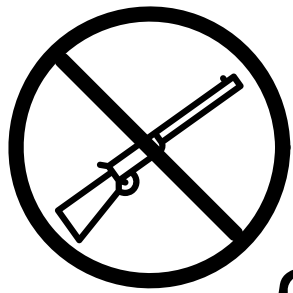

Can you, when seeing bullying
at school,

make a speech to stop it?

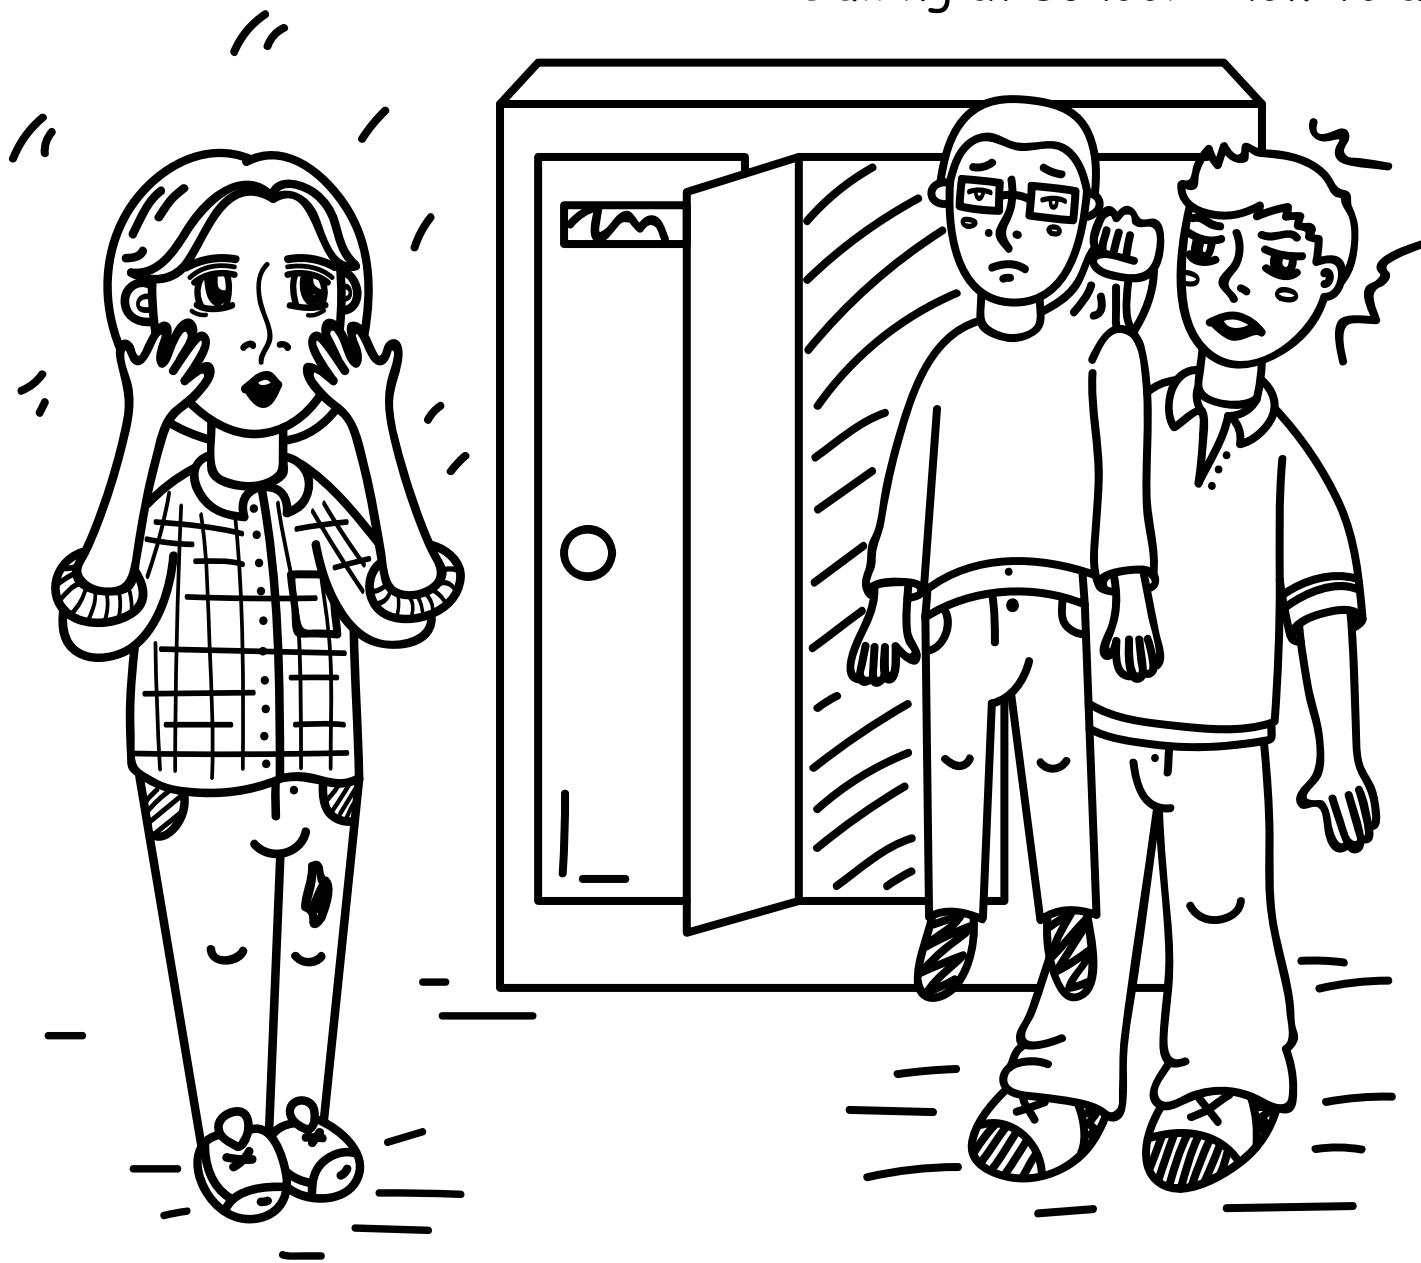

Because human rights defenders are the ordinary people,

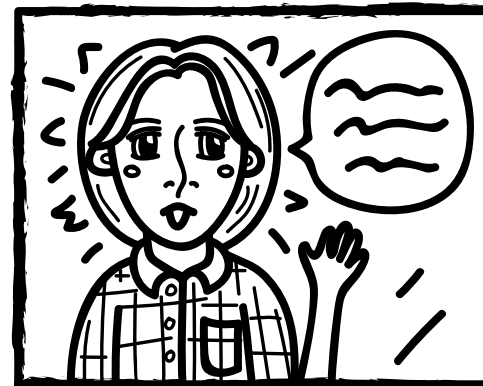

are the ordinary people who decided to peacefully counteract injustice/unfairness using all the power they have!

They see injustice, they are concerned about it and they begin to act.

Bullying at school - how to act:

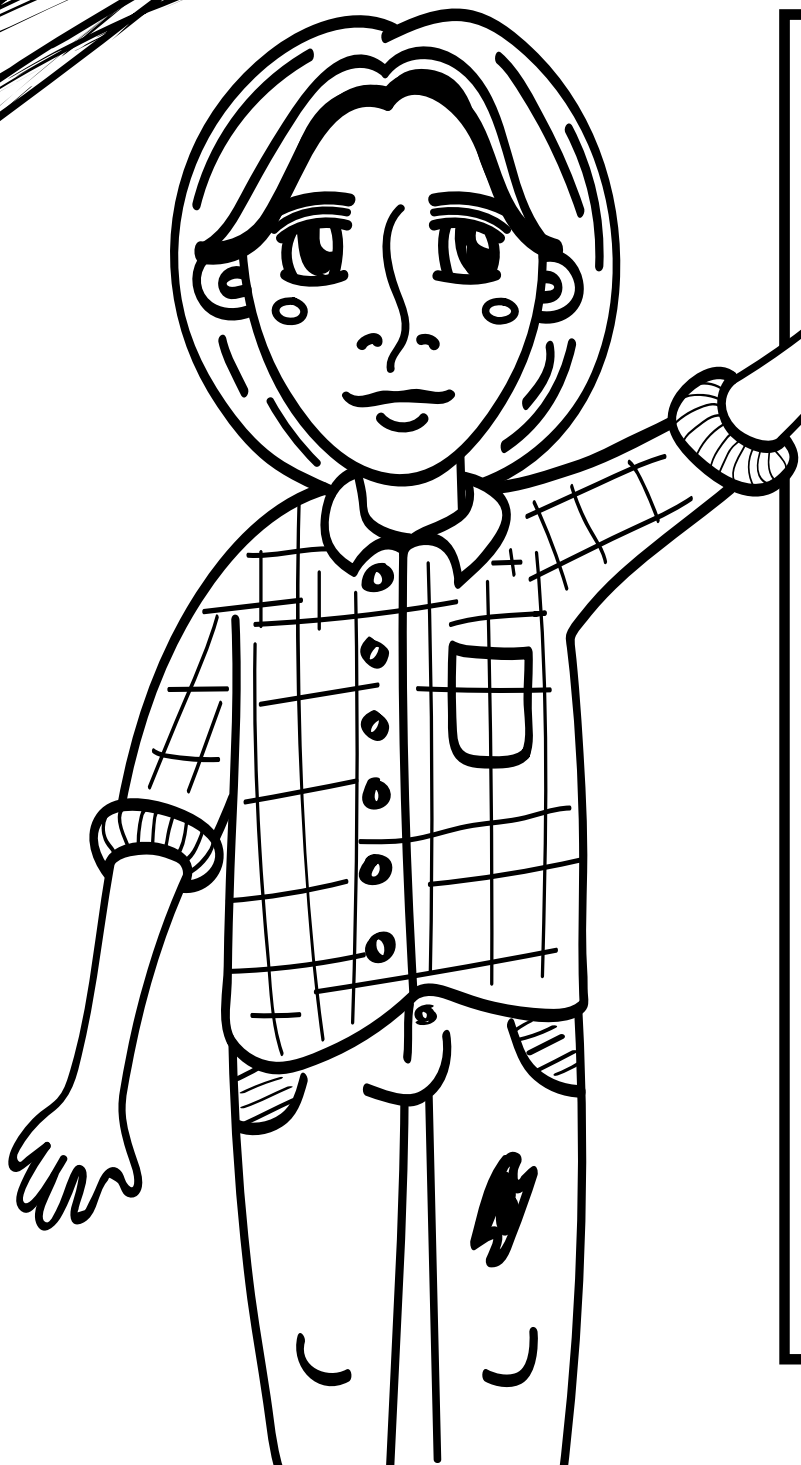

Let the teacher know or

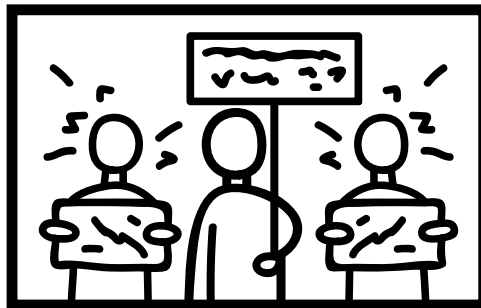

Stop on your own or

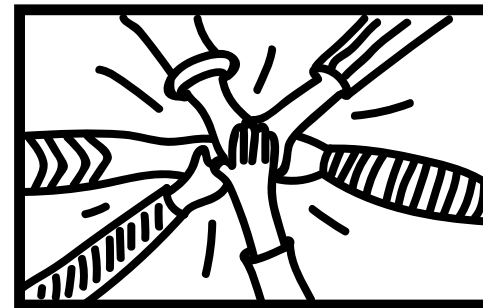

Call your friends and stop it peacefully

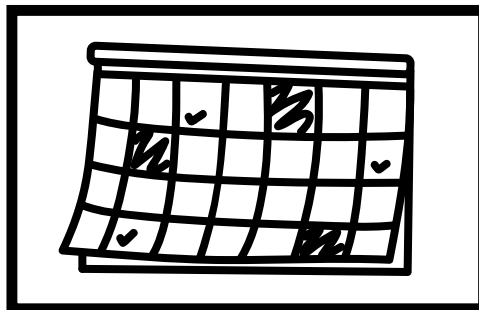

SO LET'S REPEAT, WHO ARE THE HUMAN RIGHTS DEFENDERS?

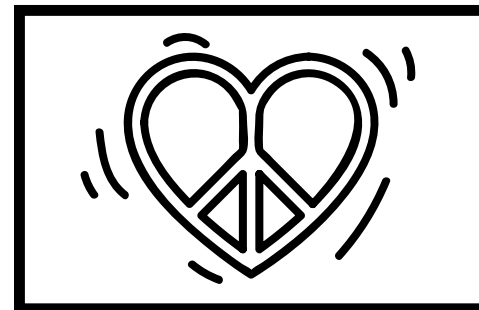

They don't stand aside
the problems

If they can't help
on their own,
they call for help

They are not scared that
the problem will not be
solved within a day

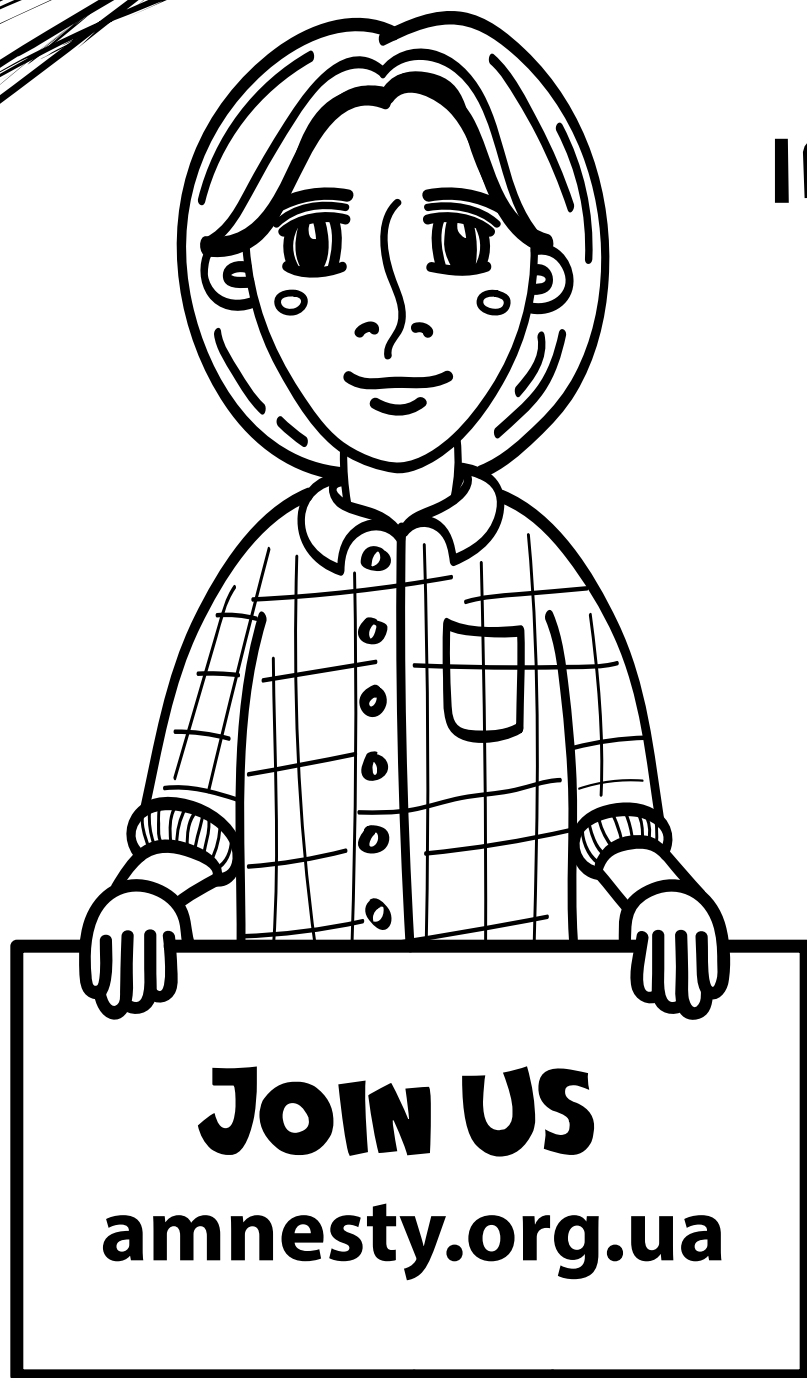

They act only
peacefully

**IF YOU WANT TO LIVE IN
A BETTER WORLD!**

JUSTICE FOR ALL PEOPLE!**

UNSTOPPABLE!**
